

NO DRUGS

Weak people believe drugs can help cope with problems

Drug addiction-

serious illness caused by drug abuse, and acquired pathological addiction to them.

Currently, every 7th adolescent aged 15 to 20 suffers from this disease.

Over the past year, the world has died from drug use 250,000 people.

According to the latest expert estimates, each drug addict attracts 13-15 people to drug use.

1/3 of the new generation of Russia is under the threat of "WHITE DEATH!"

85% of drug addicts try drugs before reaching the age of 15.

The average age of an addict is only 30 years old!

WHAT'S NEXT?

DRUGS DO NOT RELIEVE FROM PROBLEMS, CREATE NEW!

BEST PROTECTION AGAINST DRUG ADDICTION IS:

flat refusal to try once!

When it's hard to give up collective folly, tell yourself, "Why run with the herd? I will remain myself!"

And you don't have to apologize by saying "NO!" There are many reasons for refusal, from different "foolishness".

LEARN TO SAY NO TO DRUGS

I don't need it.

This stuff is not for me.

There are hobbies and more abruptly.

My brains are not superfluous for me yet.

I don't want mentally retarded children.

And for the treatment of AIDS, you will give me money.

I am in no hurry to the next world.

ADDICT PROSPECTS:

Death at a young age.

Death from drug overdose.

Death from AIDS or liver disease.

Jail.

A life more like death.

do not get on
the hook

Fact: The average lifespan of an addict is 7 years!

THINK, do you need 7 years of excruciating happiness ?!
