

ATTENTION!!!

All foreign students who entered the territory of the Russian Federation after December 29, 2021, in accordance with Federal Law No. 274-FZ of July 1, 2021, must undergo a Medical examination and fingerprinting within 90 days after entering Russia!!!!

Step 1: After receiving the registration, foreign students must undergo a medical examination at a medical center that has a special license. A list of medical organizations can be found [here](#).

The nearest medical organization for students of MSTU "STANKIN" is "**City Clinic No. 3 of the Department of Health of the City of Moscow**", Moscow, Ermolaevsky per., 22/26, building 1, 2

To undergo a medical examination, you must have:

- **PASSPORT** (a copy of the first page of the passport and a translation of the passport);
- **Migration card and its copy;**
- **Visa and its copy (if you have);**
- **Registration and its copy.**

The cost of medical examination is 5900 rubles!!!

This procedure must be repeated each time when the student will cross the borders of RF.

Step 2: Within 90 days from the date of entry into the territory of the Russian Federation, foreign students must also undergo fingerprinting at the address Moscow, st. Barrikadnaya 4

Have the following documents with you:

- **PASSPORT and Registration** (copy of the 1st page of the passport, copy of the last visa and registration from 2 sides);
- **Notarized translation of the passport;**
- **Certificate of medical examination** (issued no later than 1 month).
- **An application filled out independently by hand. Sample application.**

Based on the results of fingerprinting, a foreign citizen will be issued a laminated card with a photo image and personal data of the owner.

Mandatory state fingerprint registration and photographing are carried out by the internal officers only one time, without the collection of state fees, regardless of the number of entries / exits to the Russian Federation.

For foreign students who entered the territory of the Russian Federation before December 29, 2021 and are currently in the territory of the Russian Federation, we recommend that you go through these procedures at a convenient time for you before leaving home for the summer holidays in order to avoid queues after the holidays.

In case that the student didn't fulfill the obligations to undergo mandatory state fingerprint registration, photographing and medical examination in relation to such foreign students, the student can be departure from RUSSIAN FEDERATION.
